

List of Insurances Accepted

Revised 7/24/2025

North East Medical Services (NEMS, formerly Go East Medical Services) in Las Vegas accepts many insurance plans and programs. Please browse below for the public and private/commercial insurance plans we currently accept.

NEMS is not a free clinic. We are required by law to collect any fees for services rendered to you and which are not covered by your insurance plan or health coverage.

If you have no health insurance coverage, or receive services that are not covered by your insurance plan, you will be charged according to a sliding fee scale or up to the full cost of services in accordance with our Sliding Fee Discount Program. Eligibility is based on income and family size.

You can also call us at 702-589-9686 to learn more or to ask questions.
