週六 8:00-12:00 及
1:00-5:00
週日及假日休息

Dear NEMS Member,

My name is Amy Shen Tang and it is a privilege to serve you as your primary care provider (PCP) at North East Medical Services (NEMS). Knowing who your PCP is and working with the same provider is very important in building trust and better health. That's why I wanted to tell you a little bit more about me.

I grew up in the Bay Area and received my bachelor's degree from UC Berkeley and my medical degree from UC San Francisco School of Medicine. I completed my Internal Medicine residency at New York University Langone Medical Center / Bellevue Hospital Center. I previously worked at Charles B. Wang Community Health Center in New York's Chinatown as their Hepatitis B Program Director.

I returned to the Bay Area and joined NEMS in 2019 as their Director of Immigrant Health, focusing my professional interests on hepatitis B and C, tuberculosis, and other immigrant health disparities. I hold a board certification from the American Board of Internal Medicine. I am fluent in Mandarin and English. In my spare time, I enjoy listening to my daughters sing and dance, eating my husband's delicious food, and enjoying mother nature.

The next time you need quality health care, whether it's for a sore throat or an annual physical check-up, make sure to ask for me, Dr. Tang, your PCP.

尊敬的東北會員，

我是東北醫療中心的沈愛梅醫生，很高興能夠成為您的主診醫生。了解您的主診醫生並長期與其合作對於建立互信和跟進您的健康非常重要，我想藉此機會作一個簡單的自我介紹。

我在三藩市灣區長大，並畢業於加州大學柏克萊分校和加州大學三藩市分校醫學院 (UCSF School of Medicine)，專注於內科。之後在紐約大學醫學院及朗格尼醫學中心的貝爾維尤醫院中心 (New York University Langone Medical Center / Bellevue Hospital Center) 完成見習醫生培訓。在回到三藩市灣區之前我曾在紐約華埠的王嘉廉社區醫療中心擔任乙型肝炎計劃主任。我於 2019 年加入東北醫療中心，現在擔任其移民健康總監，專注於乙型肝炎和丙型肝炎，肺結核和其它移民健康差異。我擁有美國內科醫學委員會 (American Board of Internal Medicine) 頒發的認證，可以說流利的國語及英語。在業餘時間我喜歡聽女兒唱歌看她跳舞，吃丈夫做的美食，並享受大自然。

作為您的主診醫生，我會比較了解您的健康狀況，可以迅速回答您的問題，確保您獲得最佳的醫療照顧。這將節省您向另一位醫生或醫護師重新解釋保健需求的時間，也有助於進一步提高我們的工作效率和服務質量。下次當您要做例行檢查、或遇到緊急醫療狀況、或者有任何健康問題，請與我聯繫。
